PRODUCED AND BOTTLED BY CILURZO VINEYARD & WINERY  
TEMECULA, CALIFORNIA ALCOHOL 13% BY VOLUME

This rich full bodied Chardonnay was totally fermented using a new revolutionary system called INNERSTAVE.®

Lightly toasted French Limousin oak staves were arranged inside a stainless steel tank so the ratio of wine to wood was the same as in a barrel. Having complete temperature control during the entire fermentation "on the wood" produced a deep, mellow, complex wine.

Modern wine making technology combined with proven old country traditions create distinctive wines rich in the regional character of Temecula.
